

Accessibility Statement for Surface Components

This is an accessibility statement from Surface Components.

Measures to support accessibility

Surface Components takes the following measures to ensure accessibility of Surface Components:

- Include accessibility as part of our mission statement.
- Include accessibility throughout our internal policies.
- Integrate accessibility into our procurement practices.
- Assign clear accessibility goals and responsibilities.

Conformance status

The [Web Content Accessibility Guidelines \(WCAG\)](#) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. Surface Components is partially conformant with WCAG 2.1 level AA. Partially conformant means that some parts of the content do not fully conform to the accessibility standard.
